

The background is a deep blue with large, stylized white snowflakes. In the top left corner, there are white, frost-covered tree branches. In the bottom right corner, there is a white line-art illustration of a church with a steeple, surrounded by trees. The text is arranged in a clear, hierarchical manner, with the date and location of each service listed on the left and the time and additional details on the right.

Alle  
Gottesdienste  
beginnen um  
10 Uhr!
